Forecast For Northwest England
Issued by Met Office Exeter
at 0400 on Monday 31 May 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and dry throughout, feeling warm with plenty of sunshine.

Today:
Any early cloud or fog in the east will soon clear through the morning, leaving another fine and dry day with plenty of sunshine. Some fair-weather clouds will form during the afternoon. Feeling warm. Maximum temperature 23 deg C (73 deg F).

Tonight:
Staying dry overnight, with most seeing clear skies throughout. Easternmost areas will see some low cloud through the early hours, with hill fog over the Pennines. Minimum temperature 11 deg C (52 deg F).

Tuesday:
Any early low cloud and fog will soon clear through the morning, for another fine and dry day with plenty of sunshine. Feeling even warmer than Monday. Maximum temperature 25 deg C (77 deg F).

Outlook for Wednesday to Friday:
Fine and dry Wednesday, with plenty of warm sunshine but breezy. Rain and showers, possibly thundery, move over the region early Thursday. Becoming brighter, but fresher thereafter.
